

Chicopee 4Rivers Watershed Council

Ware-Swift-Quaboag+Chicopee

One River System

www.chicopeewatershed.org

"Adopt a Sample"

HELP us monitor the 4 Rivers.

Your \$30 donation helps analyze a sample on one of our Rivers.

\$200 covers a sampling site for the season.

C4RWC will sample for bacteria to test the health of our rivers.
This helps check its water quality for healthy recreation/paddling.

*We plan to sample again in 2017, June to September, and need
25+ donors to make this work!*

Support water testing & the success of this monitoring program!
