

Ware River

“Summer Solstice Paddle”

June 22nd, 2019

Saturday @ 6 PM.

Celebrate the start of summer on the picturesque Ware River in Palmer, MA. Launch and take out is the same location as we explore this beautiful section of the river. The launch/takeout is on Bennett Road in Palmer, MA, near Forest Lake.

Since this location is just down the road from Rondeau’s ice cream, we can stop there afterwards for a refreshing treat.

**Where: Meet at Bennett St,
off River St in Palmer.
There is room for parking.**

**Map view: Note – travel to the end
of Bennett Street and look for the
old bridge crossing just past a
stream. Park tight to the right.**

**Paddle Estimate 2 +/- hours.
Bring water and bug spray.**
